

Q) What are the allowed values of α, β ?

Plane of polarization

Q) Is it a vector space?

Q) Dimension of space? 2

Q) What are the basis states/vectors?
 physic mathematics

Q) What is the general state representation?

$$\hat{P} = \alpha \hat{H} + \beta \hat{V}$$

$\mathbb{R} \leftarrow \boxed{\text{Field}}$
 $\alpha \hat{H} + \beta \hat{V}$
